

**GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2017**

**SESSION LAW 2017-41
HOUSE BILL 630**

AN ACT TO ESTABLISH SOCIAL SERVICES REGIONAL SUPERVISION AND COLLABORATION; REFORM THE CHILD WELFARE SYSTEM IN THIS STATE; IMPROVE ACCOUNTABILITY AND STATE OVERSIGHT OF THE CHILD WELFARE SYSTEM; REQUIRE WRITTEN AGREEMENTS, CORRECTIVE ACTION, AND STATE INTERVENTION WITH SOCIAL SERVICES DEPARTMENTS; CREATE REGIONAL SOCIAL SERVICE DEPARTMENTS; ESTABLISH A CHILD WELL-BEING TRANSFORMATION COUNCIL; ESTABLISH A DRIVERS LICENSE PILOT PROJECT; ESTABLISH A PILOT PROGRAM TO AUTHORIZE A WAIVER OF THE EMPLOYMENT REQUIREMENT FOR FOSTER PARENTS OF CHILDREN RECEIVING INTENSIVE ALTERNATIVE FAMILY TREATMENT; REDUCE THE TIME FRAME A PARENT HAS TO APPEAL FROM A TERMINATION OF PARENTAL RIGHTS ORDER; REDUCE THE TIME FRAME FOR LICENSURE APPROVAL REGARDING FOSTER CARE; AND REQUIRE CHILD PROTECTIVE SERVICE OBSERVATION BEFORE PHYSICAL CUSTODY OF CHILD MAY BE RETURNED.

Whereas, the children and families involved in North Carolina's child welfare system are among our most vulnerable children and most fragile families; and

Whereas, the recent federal Child and Family Services Review (CFSR) and the North Carolina Statewide Child Protective Services Evaluation of the State's Child Protective Services (CPS) program identified troubling gaps and flaws in North Carolina's child welfare system that are allowing too many of those vulnerable children and fragile families to fall through the cracks; and

Whereas, transforming the child welfare system to better ensure the safety, permanency, and well-being of children and families is the right thing to do; and

Whereas, county social services agencies are facing significant resource and administration challenges in areas other than child welfare, such as public assistance and adult services; and

Whereas, a recent audit by the North Carolina State Auditor of Medicaid eligibility determinations by county departments of social services concluded that most of the county departments reviewed in the audit did not consistently meet standards for timeliness and accuracy; and

Whereas, a recent report by the Program Evaluation Division reached similar conclusions regarding county administration of Medicaid eligibility determinations; and

Whereas, North Carolina's Aging Services Plan and a recent report on Alzheimer's and related dementias by the North Carolina Institute of Medicine emphasize the tremendous growth of the aging population and anticipate relying heavily on social services agencies to support the needs of this population; and

Whereas, it has been challenging for the State to effectively supervise administration of complex social services programs in 100 counties and it would be more efficient and effective for the State to supervise fewer local agencies; and

Whereas, it is our charge to spend public dollars wisely and effectively on administration of public assistance; and

Whereas, for the aforementioned reasons, North Carolina requires a plan of action to systematically reform the child welfare system and reduce the number of departments of social services to allow for better supervision and administration of social services programs; Now, therefore,

The General Assembly of North Carolina enacts:

- ~~(7) The Secretary shall inform the appropriate board or boards of county commissioners, the county manager or managers, the director of social services, and the board of social services of key activities and ongoing concerns during the temporary assumption of social services program administration.~~

~~(c1) Upon the Secretary's determination that the department of social services is able to meet performance requirements and that program administration responsibilities should be~~

restored to the department of social services, the Secretary shall notify the board of county commissioners, the department of social services, the county manager, and the board of social services that the temporary assumption of program administration will be terminated and the effective date of the termination. Upon termination, the department of social services shall resume its full authority to administer the program or programs that were assumed.

~~(d) In the event that the Secretary assumes control of service delivery pursuant to subsection (c) of this section, the county director of social services shall be divested of all service delivery powers conferred upon the director by G.S. 108A-14 and other applicable State law as the powers pertain to the services in question. Upon assumption of control of service delivery, the Secretary may assign any of the powers and duties of the county director of social services to the Director of the Division of Social Services of the Department of Health and Human Services or to a contractor as the Secretary deems necessary and appropriate to continue the provision of the services in the county.~~

~~(g) During the period of time that the Secretary is taking action pursuant to subsection (c) of this section, the Department of Health and Human Services shall work with the county board of commissioners, the county board of social services, and the county director of social services, to enable service delivery to be returned to the county if and when the Secretary has determined that services can be provided by the county in accordance with State law and applicable rules."~~

SECTION 3.2.(b) This section becomes effective March 1, 2020, and is effective for all written agreements required pursuant to G.S. 108A-74 entered into on or after that date.

SECTION 3.3. The Department shall report to the Joint Legislative Oversight Committee on Health and Human Services (Committee) by August 1 of every year regarding oversight of the local administration of social services programs other than medical assistance.

 - b. An evaluation of the implementation of the requirement for a written agreement.
 - c. A summary of any oversight action taken by the Department pursuant to the agreement or G.S. 108A-74, including a list of any federal or State funds that were withheld as a result of the State's oversight.

PART IV. REGIONAL SOCIAL SERVICES DEPARTMENTS

SECTION 4.1. Article 1 of Chapter 108A of the General Statutes is amended by adding the following new Part to read:

"Part 2B. Regional Social Services Departments.

"§ 108A-15.3A. Creation of regional social services departments.

(a) A regional social services department, including more than one county, may be formed upon agreement of the county boards of commissioners and, if applicable, either the county board of social services or consolidated human services board having jurisdiction over each of the counties involved.

(b) A regional social services department may incorporate all programs and services offered by the county departments or it may include only selected programs and services.

(c) A county may join an existing regional social services department upon agreement of the boards of commissioners having jurisdiction over each of the counties included in the region as well as the board of county commissioners and, if applicable, either the county board of social services or consolidated human services having jurisdiction over the county department seeking to join the regional department.

(d) The regional social services departments may include more than one judicial district. To promote judicial efficiency, a regional social services department shall make every effort to include complete judicial districts rather than dividing a judicial district across departments.

(e) The regional social services department shall have centralized administrative operations that are geographically located in one county but maintain a physical presence for delivery of social services in every county served by the region.

(f) A county that joins a regional social services department shall be required to contribute financially to the regional department pursuant to rules adopted by the Commission.

(g) A regional social services department shall be a public authority as defined in G.S. 159-7(b)(10).

"§ 108A-15.3B. Regional board of social services.

(a) A regional social services department shall be governed by a regional board of social services. A regional board of social services shall have the same powers and duties as a county social services board, including the appointment of the regional director of social services, with respect to those services or programs that have been assigned to the regional social services department.

(b) A regional board of social services shall be composed of 12 members. However, a regional board of social services may be increased up to a maximum number of 18 members by agreement of the boards of county commissioners in all counties that comprise the region. The agreement shall be evidenced by concurrent resolutions adopted by the affected boards of county commissioners.

(c) The county board of commissioners of each county in the region shall appoint two members to the regional board of social services, one of whom may be a county commissioner. If more than eight counties join the regional social services department, the board of county commissioners of each county in the region shall appoint one member to the regional board of social services who may be a county commissioner. The Social Services Commission shall appoint two members. The members of the regional social services board shall appoint

members to fill any remaining vacancies. The composition of the board shall reasonably reflect the population makeup of the entire region and provide equitable region-wide representation. All members shall be residents of the region.

(d) Except as provided in this subsection, members of a regional board of social services shall serve terms of three years. Two of the original members shall serve terms of one year, and two of the original members shall serve terms of two years. No member shall serve more than three consecutive three-year terms. County commissioner members shall serve only as long as the member is a county commissioner.

(e) Whenever a county shall join or withdraw from an existing regional social services department, the regional board of social services shall be dissolved and a new board shall be appointed as provided in subsection (c) of this section.

(f) Vacancies shall be filled by the appointing authority for any unexpired portion of a term.

(g) A chairperson shall be elected annually by a regional board of social services. The regional social services director shall serve as secretary to the board.

(h) A majority of the actual membership, excluding vacancies, shall constitute a quorum.

(i) Upon being given written notice and an opportunity to respond, a member may be removed from office by the regional board of social services for any of the following:

(1) Commission of a felony or other crime involving moral turpitude.

(2) Violation of a State law governing conflict of interest.

(3) Violation of a written policy adopted by the county board of commissioners of each county in the region.

(4) Habitual failure to attend meetings.

(5) Conduct that tends to bring the office into disrepute.

(j) A member may receive a per diem in an amount established by the county commissioner members of the regional board of social services. Reimbursement for subsistence and travel shall be in accordance with a policy set by the county commissioner members of the regional board of social services.

(k) The board shall meet at least quarterly. The chairperson or three of the members may call a special meeting.

(l) A regional board of social services is authorized to provide liability insurance for the members of the board and the employees of the regional social services department. A regional board of social services is also authorized to contract for the services of an attorney to represent the board, the regional social services department, and its employees, as appropriate. The purchase of liability insurance pursuant to this subsection waives both the regional board of social services' and the regional social services department's governmental immunity, to the extent of insurance coverage, for any act or omission occurring in the exercise of a governmental function. By entering into a liability insurance contract with the regional board of social services, an insurer waives any defense based upon the governmental immunity of the regional board of social services or the regional social services department.

"§ 108A-15.3C. Dissolution of a regional social services department.

(a) Whenever the board of commissioners of each county constituting a regional social services department determines that the department is not operating in the best interests of the respective counties, they may direct that the regional social services department be dissolved.

(b) Whenever a board of commissioners of a county which is a member of a regional social services department determines that the department is not operating in the best interests of that county, it may withdraw from the regional social services department.

(c) Dissolution of a regional social services department or withdrawal from the regional social services department by a county shall be effective only at the end of the fiscal year in which the action of dissolution or withdrawal transpired.

(d) Notwithstanding the provisions of subsection (a) of the section, no regional social services department shall be dissolved without prior written notification to the Department.

(e) Any budgetary surplus available to a regional social services department at the time of its dissolution shall be distributed to those counties comprising the region on the same pro rata basis that the counties appropriated and contributed funds to the regional social services department budget during the current fiscal year. Distribution to the counties shall be determined on the basis of an audit of the financial record of the regional social services department. The regional board of social services shall select a certified public accountant or an accountant who is subsequently certified by the Local Government Commission to conduct the audit. The audit shall be performed in accordance with G.S. 159-34. The same method of distribution of funds described above shall apply when one or more counties of a regional social services department withdraw from a region.

"§ 108A-15.3D. Regional social services director.

A regional social services director appointed by a regional social services board shall have all the powers and duties of a director of social services provided by G.S. 108A-14 and other applicable laws."

SECTION 4.6. Sections 4.1, 4.2, 4.3, and 4.4 become effective March 1, 2019. Section 4.5 becomes effective upon ratification.

PART V. CHILD WELL-BEING TRANSFORMATION COUNCIL

SECTION 5.1. Chapter 143 of the General Statutes is amended by adding a new Article to read:

"Article 82.

"Child Well-Being Transformation Council.

"§ 143-775. Child Well-Being Transformation Council established; membership; qualifications; vacancies.

(a) Purpose; Findings. – The welfare of North Carolina's children is a priority. There are many public and private agencies and organizations across the State involved with promoting the welfare of children and protecting them from harm, such as those involving child care, education, health care, social services, and juvenile justice. Though these agencies and organizations provide important services, they often fail to collaborate, coordinate, and communicate about those services. A more systematic and coordinated approach to services will help ensure that the State achieves the best possible outcomes for children. Therefore, the General Assembly finds that it is essential that a single body serve as a means for coordination, collaboration, and communication among agencies and organizations involved in providing public services to children.

(b) Creation and Membership. – There is established the North Carolina Child Well-Being Transformation Council (Council). The Council shall be located administratively in the General Assembly. The Council shall consist of 17 members serving staggered terms. In making appointments, each appointing authority shall select members who have appropriate experience and knowledge of the issues to be examined by the Council and shall strive to ensure members are appointed who represent the geographical, political, gender, and racial diversity of this State. The initial Council members shall be appointed on or after July 1, 2018, as follows:

(1) Four members shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate. Of the members appointed under this subdivision, one shall be a member of the Senate who shall serve for a term of two years, one shall be a representative from the Administrative Office of the Courts who shall serve for a term of

three years, one shall be a representative from a child welfare private provider organization who shall serve for a term of two years, and one shall be a representative from the North Carolina Pediatric Society who shall serve a one-year term.

- (2) Four members shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives. Of the members appointed under this subdivision, one shall be a member of the House of Representatives who shall serve for a term of two years, one shall be a representative from the Department of Public Instruction who shall serve for a term of three years, one shall be a representative from Indigent Defense Services who shall serve for a term of two years, and one shall be a representative of the Hospital Association who shall serve a one-year term.
- (3) Nine members shall be appointed by the Governor. Of the members appointed under this subdivision, one shall be a representative from the Department of Health and Human Services, Division of Child Development and Early Education, who shall serve for a term of three years, one shall be a representative from the Department of Health and Human Services, Division of Social Services, who shall serve for a term of three years, one shall be a representative from the Department of Public Safety, Division of Juvenile Justice, who shall serve for a term of two years, one shall be a representative from the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, who shall serve for a term of three years, one shall be a representative from the Guardian ad Litem program who shall serve a term of two years, one shall be a representative from Disability Rights NC who shall serve a one-year term, one shall be a representative from a local management entity/managed care organization (LME/MCO) who shall serve a one-year term, one shall be a representative from the Department of Health and Human Services, Division of Public Health, with expertise in substance abuse disorders who shall serve for a term of two years, and one shall be a director of a county department of social services who shall serve a one-year term.

(c) Terms; Vacancies. – Upon the expiration of the terms of the initial Council members, each member shall be appointed for a term of four years and shall serve until a successor is appointed. No member may serve more than two consecutive full terms. A vacancy shall be filled within 30 days by the authority making the initial appointment.

(d) Organization. – The Council shall elect from its membership a chair and vice-chair to each serve one-year terms. The Council shall meet on a quarterly basis each year upon the call of the chair. A quorum of the Council is nine members. No action may be taken except by a majority vote at a meeting at which a quorum is present. The Open Meetings Law, Article 33C of Chapter 143 of the General Statutes, and the Public Records Act, Chapter 132 of the General Statutes, shall apply to the Council.

(e) Funding. – From funds available to the General Assembly, the Legislative Services Commission shall allocate monies to fund the work of the Committee. Members of the Committee shall receive subsistence and travel expenses as provided in G.S. 120-3.1 and G.S. 138-5.

(f) Staff. – The Legislative Services Commission, through the Legislative Services Officer, shall assign professional staff to assist the Council in its work. Upon the direction of the Legislative Services Commission, the Director of Legislative Assistants of the Senate and of the House of Representatives shall assign clerical staff to the Council. The expenses for clerical employees shall be borne by the Council.

"§ 143-776. Powers and duties.

(a) Upon its establishment, the Council shall direct its initial focus on the following initiatives:

- (1) Mapping the network of child-serving agencies and organizations in the State.
- (2) Cataloging examples of failures in coordination, collaboration, and communication in the context of child welfare.
- (3) Reviewing the work of bodies similar to the Council operating in other states to identify promising practices and focus areas for the Council's work.

(b) Beginning March 1, 2020, the Council shall:

- (1) Monitor changes in the social services and child welfare system associated with reform and regional supervision.
- (2) Identify gaps in coordination, collaboration, and communication related to all publicly funded child serving programs.
- (3) Recommend changes in law, policy, or practice necessary to remedy gaps or problems impacting coordination, collaboration, and communication among publicly funded child-serving agencies.

(c) The Council shall submit a report to the chairs of the Senate Appropriations Committee on Health and Human Services, the chairs of the House of Representatives Appropriations Committee on Health and Human Services, the Joint Legislative Oversight Committee on Health and Human Services, and the Fiscal Research Division by June 30 of each year. The report shall include a summary of the Council's work for the previous year, any findings and recommendations for change, and a work plan for the upcoming year.

(d) The Council is authorized to accept gifts or grants from other sources to support administration of the Council."

SECTION 5.2. This part becomes effective July 1, 2017.

PART VI. DRIVERS LICENSE PILOT PROJECT

SECTION 6.1.(a) The General Assembly recognizes that not having a drivers license is a barrier to education, employment, health care, and other community-based activities for older youth in foster care, as defined in G.S. 131D-10.2(9), working toward independence. One of the biggest barriers to accessing a drivers license for such youth is the ability to obtain insurance. Therefore, to assist in this effort, the Department of Health and Human Services, Division of Social Services, shall establish a two-year pilot program that shall reimburse, on a first-come, first-served basis, youth and caregivers' costs associated with drivers license education, drivers license fees, insurance costs, and any other costs associated with obtaining a drivers license. The Division shall take appropriate steps to ensure proper advertising of the pilot program.

SECTION 6.1.(b) The Division of Social Services shall report on the pilot project to the Joint Legislative Oversight Committee on Health and Human Services by March 1, 2018.

SECTION 6.2. This part becomes effective July 1, 2017.

PART VII. PILOT WAIVER FOR IAFT FOSTER PARENTS

SECTION 7.(a) The General Assembly has determined that in an effort to maximize funding, local management entities/managed care organizations (LME/MCOs) are utilizing Intensive Alternative Family Treatment (IAFT), which is a means of cost-effective, specialized foster care treatment service that is being used for many youth who would have previously been treated in Medicaid congregate care, such as psychiatric residential treatment facilities. The General Assembly finds that these higher-need youth are often (i) suspended or expelled from school or day programs and (ii) require multiple appointments on a weekly basis to address needs, such as therapy, medication management, and school individual education plans (IEPs). Further, in accordance with rules, foster parents are required to maintain outside

employment while providing foster care, but the constant demands of meeting the needs of these foster youth often lead to disruption in placement as the foster parent is unable to meet those needs while maintaining the parent's employment obligations.

SECTION 7.(b) To that end, the Department of Health and Human Services, Division of Social Services (Division), shall establish a pilot program that will allow the Division to waive the employment requirement for foster parents with children utilizing the Intensive Alternative Family Treatment (IAFT). The Division shall solicit participation in the pilot program from interested local management entities/managed care organizations (LME/MCOs). The participating LME/MCOs shall conduct comparison measures between existing IAFT outcomes and those of pilots to determine any impact the waiver may have on outside employment. LME/MCOs shall measure progress of the pilot waivers based on the expectation of meeting the following outcomes:

- (1) Improved placement stability with less than twenty percent (20%) of moves of youth occurring due to therapeutic foster parent request.
- (2) Seventy-five percent (75%) of youth and families meeting their treatment goals within the projected time frame.
- (3) No more than a ten percent (10%) increase in higher-level hospital bed days.

SECTION 7.(c) LME/MCOs participating in the IAFT pilot waiver program shall provide a report on the outcomes of the pilots, along with any recommendations, to the Division. The Division shall then submit a report on the pilot waiver program to the Joint Legislative Oversight Committee on Health and Human Services by December 1, 2018.

PART IX. TIME FRAME FOR LICENSURE APPROVAL/FOSTER CARE

Before a county department of social services may recommend return of physical custody of the juvenile to the parent, guardian, custodian, or caretaker from whom the juvenile was removed, a county department of social services shall first observe that parent, guardian, custodian, or caretaker with the juvenile for at least two visits that support a recommendation to return physical custody. Each observation visit shall consist of an observation of not less than one hour with the juvenile, and each observation visit shall be conducted at least seven days apart.
